

DOUBLE WALL PARTY TUB

No party is complete without our **Double Wall Party Tub**. Its large 14.5-inch opening can fit almost an entire case of beer, water or soda, to keep chilled at your next event. And since it's double walled, you don't have to worry about it sweating in the heat and creating a messy puddle to clean up.

No party? No problem. Enjoy a six pack on ice with a close friend or two with our new **Personal Party Tub**. Great for a six pack of beer or a couple bottles of champagne.

Features:

- Double wall construction
- Condensation free exterior
- 18/8 stainless steel resists corrosion
