

Scotsman[®]
UNDERCOUNTER UNITS

UNDERCOUNTER ICE MACHINES

- Offered in 5 different ice forms
- Small in stature, big on production
- Front breathing vents for flexible placement
- Versatile units for any type of application

UNDERCOUNTER CUBE ICE MACHINES

Producing either small or medium cubes, these Scotsman undercounter units are great for applications with mixed drinks, carbonated beverages, ice dispensing and banquet services. Small cubes are especially ideal for blending and beverage dispensing, while medium cubes are ideal for cocktails and ice bagging.

All small and medium cube models are **front breathing**, meaning **no side clearance** is needed. The 24-inch platform also features a utility chase **allowing for tight installs**. The ergonomic slide back door gives **easy access to ice** in the bin. All models are **designed, engineered and assembled in the USA**.

Unit specific QR code for quick access to service manuals, cleaning guides & warranty history

Ergonomic slide-back door allows easy access to ice in the bin

With an optional floor mount kit, our 15" & 20" wide models can be installed under 34" ADA counter tops

Power cord, plug, scoop & adjustable legs included for quick & easy installation

Energy efficient design: Environmentally friendly while saving operators money

MODEL NUMBER	ICE FORM	DIMENSIONS W x D x H	ICE PRODUCTION*	STORAGE CAPACITY
CU0415	Medium	15" x 24" x 38"	58 lbs	36 lbs
CU0715	Medium	15" x 24" x 38"	80 lbs	36 lbs
CU0920	Medium	20" x 24" x 38"	100 lbs	57 lbs
UC2024	Small or Medium	24" x 28.5" x 39"	227 lbs	80 lbs
UC2724	Small or Medium	24" x 28.5" x 39"	282 lbs	80 lbs
CU3030	Small or Medium	30" x 30" x 39"	313 lbs	110 lbs

*Approximate ice production, per 24 hours, based on air-cooled condenser unit at 70°F air and 50°F water.

UNDERCOUNTER CUBE ICE MACHINES

Both of these Scotsman undercounter units produce the uniquely shaped gourmet ice. The gourmet cube is our largest form of ice. It is a slow-melting cube that is perfect for bar use, server stations, office suites and breakrooms.

These units are front breathing, allowing for **flexible placement**. The CU50 is also **designed, engineered and assembled in the USA**.

High-volume capacity in a small, compact footprint

Unique, crystal-clear shape, odorless & taste-less

Front breathing vents allow for flexible placement

Energy efficient design: Environmentally friendly while saving operators money

MODEL NUMBER	ICE FORM	DIMENSIONS W x D x H	ICE PRODUCTION*	STORAGE CAPACITY
CU50	Gourmet	15" x 22" x 34.5"	64 lbs	26 lbs
CU0515	Gourmet	15" x 24" x 34"	74 lbs	24 lbs

*Approximate ice production, per 24 hours, based on air-cooled condenser unit at 70°F air and 50°F water.

UNDERCOUNTER NUGGET ICE MACHINES

Producing The Original Chewable Ice®, nugget ice has been a customer favorite for decades. As our most versatile form, this ice is commonly used in slushies, carbonated beverages, food displays, dispensing and therapeutic applications.

All nugget models are **front breathing**, meaning **no side clearance** is needed. The 24-inch platform also features a recessed utility chase **allowing for tight installs**. The ergonomic slide back door gives **easy access to ice** in the bin, while the stainless steel auger and evaporator provide **maximum durability**. All models are **designed, engineered and assembled in the USA**.

Sealed, maintenance-free bearings ensure maximum reliability & contribute to a long machine life

With an optional floor mount kit, our 15" & 20" wide models can be installed under 34" ADA counter tops

Power cord, plug, scoop & adjustable legs included for quick & easy installation

Energy Star Certified: Environmentally friendly while saving operators money

MODEL NUMBER	ICE FORM	DIMENSIONS W x D x H	ICE PRODUCTION*	STORAGE CAPACITY
UN0815	Nugget	15" x 24" x 38"	79 lbs	36 lbs
UN1215	Nugget	15" x 24" x 38"	119 lbs	36 lbs
UN1520	Nugget	20" x 24" x 38"	167 lbs	57 lbs
UN324	Nugget	24" x 28.5" x 39"	340 lbs	80 lbs

*Approximate ice production, per 24 hours, based on air-cooled condenser unit at 70°F air and 50°F water.

UNDERCOUNTER FLAKE ICE MACHINES

These Scotsman undercounter units produce flake ice that provides fast-cooling power with low production costs. Compressed flake pieces will mold to any shape for convenient use in seafood and meat displays, salad bars, blended cocktails, labs and banquet services.

All flake models are **front breathing**, meaning **no side clearance** is needed. The 24-inch platform also features a recessed utility chase **allowing for tight installs**. The ergonomic slide back door gives **easy access to ice** in the bin, while the stainless steel auger and evaporator provide **maximum durability**. All models are **designed, engineered and assembled in the USA**.
