Magnetic Rail
Provides the perfect storage solution for all types of knives. The magnet is incorporated into the rail and concealed by a stainless steel shield. Minimal contact between rail and knife prevents damage to blades.

19519 15.7 in length 1 in. width

Single Attachment
Restricted spaces that are not big enough to fit a Standard Rail, can be utilized to maximum advantage with the Single Attachment.

19530 1 in. length 2 in. width

Wall Attachment with Cap
For affixing Standard Rails to the wall. Comprised of a cap, spacer, stainless steel screw and wall-plug.

19540 .9 in. diameter

Design Award: **HF**

Cabinet Suspension with Cap
For fixing a Standard Rail under a kitchen cabinet. Comprised of a highly polished cap, spacer and wood screw.

19559 2.0 in. length

Spice Rack with double shelf
A wide range of herbs and spices can be stored for easy access. Capacity for ten jars or shakers of 5 cm/2 inch.

19078 13 in. width 2.4 in. depth

Design Award: **HF**

Kitchen Foil Holder/Wrap Dispenser
For cutting both plastic wrap and aluminium foil. The retracting blades only engage when in operation and neatly cut foil without crumpling. Can be used in combination with Kitchen Towel Holder (Art. No. 19084) using Connection Clips (Art. No. 19064).

19095 14.6 in. width 5.5 in. depth

Digital Multi-Timer
Two separate digital timing functions can measure two time spans simultaneously (each up to 9 hours, 59 minutes). When not in use for countdown, the incorporated digital clock displays the time. Large ergonomic setting dial for convenient use. Big format display with red back light for optimized readability. Magnetic rear plate.

19222 5.3 in. width 1.9 in. height

Attachment for Digital Multi-Timer
(Art. No. 19222)

19223 4.7 in. width 1.6 in. height

Kitchen Digital Scale
Kitchen Scale with incorporated digital clock for measuring up to 11 pounds or 175 fluid ounces. Large format digital display is easy to read, with red back light. Suspension for positioning in the Open Kitchen.
