According to the Floor Safety Institute, each year more than 4,000,000 restaurant employees and guests are injured as a result of slips and falls. It is estimated that the Foodservice Industry spends more than \$2 billion each year for these slip and fall injuries.

Ensure a safe working environment for employees with San Jamar's Light Duty EZ-Mat. The EZ-Mat is designed to provide kitchen, bar, and wait stations with safe walking areas as well as a reduction in employee fatigue. EZ-Mats are an economical solution, engineered for protection and ease-of-use. The circular pattern creates excellent drainage and grip, while the beveled edges provide a safeway to traffic carts and reduce tripping hazards. Help keep employees protected and productive with San Jamar's EZ-Mat.
