

Edlund Heavy Duty Scales

For larger portions or receiving, Edlund's Heavy Duty Scales provide accurate measurements for weights from 2 lbs. to 200 lbs. All Heavy Duty models offer rugged construction and a large stainless steel platform. From portion control to shipping and receiving, these scales will provide dependable service for many years.

- Stainless steel housing and platform keep your food operation sanitary
- Heavy duty construction provides years of dependable use
- Extra large stainless steel platform holds foods and containers other scales can't
- 2 lb., 5 lb. and 10 lb. models are available with air dashpot shock absorbers for faster reading
- NSF Certified

If operating costs are weighing you down, these heavy duty scales can take the pressure.
