METAL FOOD PANS & LIDS

Food pans are the back bone of any foodservice operation. For storing, preparing and serving, they are a necessity. Only Carlisle offers you complete versatility with a broad range of food pans to meet your needs.

DuraPan™ Food Pans

Double reinforced corners and unique impact resistant edge design help pans hold shape; will not jam together during storage. Tapered pans fit standard food pan templates and will stack or nest with most other leading brands. Versatile 18-8 stainless pans go from freezer to oven to serving line; ideal for cook-chill operations.

DuraPan Covers

- Made of heavy gauge 18-8 stainless steel
- · Available in solid or slotted styles
- Recessed handles offer a secure grip
- Notched lids allow easy access for serving spoons

Steam Table Application

DuraPan's impact resistant edge maintains shape better and lays flat, providing a tight seal for better temperature retention in steam tables

Coldmaster® Application

Use DuraPans with Coldmaster Coldpans (shown on page 113) to keep foods cold without ice or electricity

Drain Grates

- Chrome-plated, heavy-duty grates with durable welded construction holds food above pan
- Use for cooling or draining foods
- Fits full size pans

Divided DuraPans

- Divided pan is perfect for serving complimentary foods
- Single pan fits in full size pan opening; eliminates the need for adapter bars

Available in heavy gauge or light gauge, Carlisle offers a wide range of accessories including solid and slotted covers, drain shelves, divided pans and adapter bars.
