

Finesse Delicate Blends

Sometimes, the most powerful thing you can be is gentle. Our Aerating Container is ideal for fine-tuning delicate blends like emulsions, culinary foams, whipped cream, and more. From making fresh citrus juice to large batches of foam, the disc blade delivers an easy way to create new textures in the kitchen and behind the bar.

Smart Product Design

- Disc blade design creates dense and pourable culinary foam, flavored whipped cream, mousse, infusions, and emulsions with minimal splashing.
- BPA-Free Eastman® Tritan® copolyester and double-sealed bearings provide strength and durability.
- Provides the flexibility to blend at a variety of speed settings.
- Easily process high volumes and batch foams on demand.
- Compatible with The Quiet One®, Blending Station® Advance®, Vita-Prep®, and Vita-Prep® 3.

Aerating Container

Includes 32 oz. high-impact, clear container, complete with disc blade assembly and lid.

Made in the U.S.A. with a minimum of 70% U.S.A. content.
