- 5" thick panel models available to meet CEC. Additional lead time required. Contact factory for more information.
- 5 year compressor warranty
- Specially designed shelving kits
 - Flexible shelf adjustment in 1" increments
 - Shelving layouts utilize maximum space for storage leaving the door opening clear of end standards
 - Green Kote™ special epoxy-coated finish provides extra protection from acidic foods
 - Quick and easy assembly
 - Rigid construction
 - Stronger shelves
 - Optional U-shaped systems

Optional shelving kits allow you to utilize more of the space available in your Kold Locker walk-in.

CAPSULE PAK™ REFRIGERATION SYSTEMS

Capsule Pak refrigeration systems offer the maximum flexibility to fit your indoor or outdoor cooler, freezer or combination walk-in requirements. Self-contained, one-piece models feature a condensing unit and evaporator coil in a single housing ready to mount on top of your Nor-Lake walk-in.

- For single rooms or combination walk-ins
- Conveniently located on top of the walk-in to maximize available storage space
- Scroll™ compressors on most models
- Temperatures: +35°F and -10°F
