

Only from Nemco!

Easy Chopper 3™

Take all the performance, versatility and speed of the industry's leading chopper, and make it even *more* user-friendly for ultimate ROI supremacy!

Manufactured
In The USA 

Flying Colors!

Chop, slice and wedge faster than ever! Nemco takes one of its most versatile food prep tools to the next level with a number of subtle, but significant, enhancements that are nothing short of breakthroughs in user-friendly design.

A Champion of Operator Efficiency

Hearing the market's wish list for an even better chopping tool, Nemco has evolved its already popular Easy Chopper yet again, with multiple features the market has never seen before!

- **NEW!** Color-coded blade assemblies and push blocks make correct change-out even faster and easier than before—with less risk of mismatching that can crash the blades and damage the block.
- **NEW!** Revolutionary push-block “gaskets” reduce cleaning the block to nothing more than a pull of two tabs and a rinse, wash and sanitize. Just slip the gasket over its corresponding block before chopping. When done, remove it and pull all the built-up food debris right out. No more digging at the block like a pair of muddy football cleats.
- **NEW!** Engineered nylon-based resin material used to manufacture the push blocks is more durable for longer performance life, reducing the risk of tooth breakage from classic commercial kitchen use or block shavings in the food from accidental blade contact while cutting.
- PLUS, a higher, wider base can sprawl over a standard 1/3- or 1/6-size six-inch deep food pan, or a two-quart round pan.

Still Tops in Chopping

Meanwhile, the Easy Chopper 3 maintains all the advantages of its Chopper 2 predecessor, including:

- 4¼"-square cutting area handles the BIG veggies with minimal precutting and is configured to provide a uniform, precise cut size from edge to edge.
- Weighted ergonomic handle and super-sharp blades give even your most inexperienced employees the ability to chop, slice and wedge with elite speed.
- As durable as ever, with commercial-grade aluminum construction and high-tension stainless-steel blades.

Suggested Uses

The Easy Chopper 3 is the all-in-one heavy hitter for fast chopping, slicing and wedging of onions, tomatoes, potatoes, celery, peppers and other firm veggies. It's even the go-to for cutting fresh herbs, like cilantro, basil, parsley and more. It even cuts cooked chicken and ham! This reliable versatility, combined with its user-friendly fringe benefits, makes it the perfect tool for any high-speed kitchen.

Nemco's innovative push-block gaskets make cleaning a cinch. Just pull the gasket tabs to remove and clear away all the block's food debris in one simple motion.

1/4" cut (Red) | 3/8" cut (Blue) | 1/2" cut (Green) | 1" cut (Black)

The Chopper 3's interchangeable blade assemblies and push blocks are color coded to ensure fit, avoid destructive blade crashing and even make reordering super easy!

Chop, Slice and Wedge!

Weighted ergonomic handle is tough on produce, easy on elbows

Push block's nylon-based resin is highly resilient and less prone to suffer impact damage

Color-coded push-block/blade-set tandems simplify changeout, greatly reducing operator error that can cause damaging mismatches

Easily interchangeable blade cartridges are completely separate from the guide rods—no need to remove the rod bumpers

Guide rods, fixed to the frame with a Nyllok® nut, are easily removed and replaced if bent or damaged

Push block's cleaning gasket made of durable synthetic and easily removed with a simple pull of its two tabs

Stainless-steel blades stay super-sharp and taut for a clean, one-stroke cut, every time

Large 4¼"-square cutting area accommodates the BIG veggies

Cast aluminum frame is lightweight, but extremely durable

No-slip rubber feet add stability

Tall, sprawling base allows chopped produce to fall straight into a 1/6- or 1/3-size six-inch deep food pan, or a two-quart round pan

General Specifications

| Model | Description |
|-----------------------|----------------------------------|
| Chopping sizes | |
| 57500-1 | 1/4" sq. cut |
| 57500-2 | 3/8" sq. cut |
| 57500-3 | 1/2" sq. cut |
| 57500-4 | 1" sq. cut |
| Slicing sizes | |
| 57500-5 | 1/4" thick slice |
| 57500-6 | 3/8" thick slice |
| 57500-7 | 1/2" thick slice |
| 57424-1 | Blade Assembly, 1/4" sq. cut |
| 57424-2 | Blade Assembly, 3/8" sq. cut |
| 57424-3 | Blade Assembly, 1/2" sq. cut |
| 57424-4 | Blade Assembly, 1" sq. cut |
| 57424-5 | Blade Assembly, 1/4" thick slice |
| 57424-6 | Blade Assembly, 3/8" thick slice |
| 57424-7 | Blade Assembly, 1/2" thick slice |

Optional Accessories

| | |
|----------|-----------------|
| 57727-6W | 6-Section Wedge |
| 57727-8W | 8-Section Wedge |

Dimensions

Equipment (w x d x h) 9 3/4" x 12" x 19 1/2"*
 *(height from table surface to top of guide rods)

Space between blade block
 and counter surface (for a pan) — 6 1/2"

Shipping weight 13 lbs.
 Actual weight 11 lbs.

Replacement parts are available through
 NEMCO's 24-Hour Zip Program.
