

# Header Pak® Bags from LK®

**Header Pak® bags** are an excellent intermediate solution for bulk packaging tasks. These Low Density Polyethylene bags are packaged on a convenient header, so filling them is quick and easy. Use them with one of LK's Saddle Pack Stands for speed and convenience.

## HEADER PAK BAGS FEATURE:

- Excellent for a line or work station to speed up manual packaging operations
- Made from 1.5 mil Low Density Polyethylene
- Chipboard header holds bags securely in place for fast filling
- Perforated lip for easy tear-off
- Packaged 100 bags per header
