FOR THE WAY IT'S MADE.™

START YOUR DAY WITH FRESHLY SQUEEZED JUICE WITH THE KITCHENAID® CITRUS JUICER ATTACHMENT

CITRUS JUICER ATTACHMENT — JE

This attachment turns the KitchenAid® Stand Mixer into a Citrus Juicer, eliminating the need for a second appliance that would take up valuable kitchen storage and counter space. The Citrus Juicer Attachment extracts fresh juice from the smallest lime to the largest grapefruit, quickly and easily.

REAMER

Turn the Stand Mixer speed to level 6 and the reamer will maintain a fast and steady spin. Press the fruit halves against the reamer to extract juice.

STRAINER BASKET

Strainer basket traps seeds and pulp as it extracts juice from the reamer.

EASY TO USE

The Citrus Juicer is easy to assemble. The KitchenAid® Stand Mixer powers the Citrus Juicer Attachment, leaving both hands free to extract juice from your favorite fruits.

EASY TO CLEAN

All parts of the Citrus Juicer are top-rack dishwasher safe.

VERSATILE

KitchenAid® Stand Mixer Attachments are designed to work with all models of KitchenAid® Household Stand Mixers.
