

FF1DSS

17.75" x 21.5" x 22.25" (H x W x D)

Single drawer all-refrigerator approved for outdoor, residential, and commercial use, built-in capable or freestanding, with digital thermostat, frost-free operation, and panel-ready stainless steel drawer

Highlights:

Commercially approved to ETL-S to NSF-7 and UL-471 standards for commercial settings

Flexible design allows built-in or freestanding use in 21.5" wide spaces

Durable construction affords indoor or outdoor use

Product Features:

Commercially approved	ETL-S listed to NSF-7 standard and meets UL-471 for use in commercial settings
Indoor/outdoor compatible	Durable construction designed to hold up to the elements
Built-in capable	Front-breathing design allows you to build the drawer into cabinetry
Panel-ready drawer front	Drawer accepts an overlay panel to let you seamlessly blend the unit into an existing cabinetry design (panel dimensions: 15.6" H x 21.4" W at 3/4" maximum thickness)
304 grade stainless steel drawer	Drawer front and interior constructed from stainless steel for added durability and easy cleanability
Frost-free operation	Minimum user maintenance with a fully no-frost operation system
Digital thermostat	Electronic controls located on the top drawer ensure easy temperature management, with an external readout of Celsius or Fahrenheit
LED lighting	Elegant LED lighting in a gentle white hue illuminates the refrigerator for an easy view of the interior
Drawer dividers	Two dividers make it simple to organize the drawer interior
