Eco-Air® Airpots

- Stainless or glass lined
- Lever or pump lid
- 4 available capacities
- NSF listed

1 Stainless or Glass Lined?

Glass:

- High heat retention (6-8 hours)
- Great coffee taste
- Lower price point

Stainless:

- 4-6 hour heat retention
- More durable than glass

2 Pump or Lever Lid?

Pump:

- Less parts makes it harder to break
- Easy to use
- Traditional design

Lever:

- Ergonomic design
- More volume in cup per pump
- Great for elderly and disabled
