

Blodgett/ Marsal will pay an authorized service agent to perform a factory Start-up on Blodgett convection and deck ovens & Marsal deck ovens.

The pricing is \$250 for the first serial number and \$75 for each additional serial number at the same location. Prices are NET and not discountable.

The Start-up must be purchased on the original PO with the equipment. Once the oven is installed at the end users location, it is the end users responsibility to call into the factory to request the startup, see below details:

- A Start-up must be called into the factory at least 5 days prior to requiring the service.
- The Start-up is to be completed prior to the customer using the equipment.
- All required utilities and associated supporting equipment such as hoods, drains, fire protection equipment, must be in place and operational prior to starting up the equipment. Confirm prior to scheduling a start-up.
- If a Start-up is scheduled and the equipment or utilities are not ready, the customer will be charged for the unsuccessful service call.
- Start-ups are to be performed between the hours of 8:00 AM - 5:00 PM, Monday-Friday.
- A Start-up covers travel from the ASAP's facility to the site of 100 miles round trip. Travel in excess of the 100 miles is the responsibility of the customer.
- Start up pricing does not include assembly or installation of any components. Does not include curing the stones on deck ovens.

When all of the above requirements have been met, please contact the Blodgett Service Dept at **847-481-6675** or service@blodgett.com for help arranging your Factory Start Up.
