

Cook & Hold | Smoker Oven Accessories

Featuring game changing Halo Heat® technology, Cook & Hold Ovens are designed to produce better food quality and higher yields. Gentle, radiant heat evenly surrounds food without the use of extremely hot elements, added humidity or fans. Known as one of the most versatile and energy efficient pieces of equipment in the industry, these ovens are engineered to maximize return on investment. Further your investment with a number of accessories that enhance cooking, ease of cleaning and more for foodservice operations.

🔥 Cleaning

Protect your investment with regular cleaning. From sprays to tablets to brushes, we have what you need to properly care for your equipment, ensure high-quality cooking results, keep employees safe and extend equipment lifetime.

Vector® Multi-Cook Oven Accessories

Delivering an unmatched volume and variety of food, Vector Multi-Cook Ovens with exclusive Structured Air Technology® offer up to four ovens in one—each chamber with independent temperature, fan speed and cook time controls. This individual chamber design allows for simultaneous, high-quality cooking with zero flavor transfer between chambers. Achieve ultimate menu variety and set your foodservice operation up for success with an assortment of accessories for cooking, cleaning and more.

Cleaning

Protect your investment with regular cleaning. From sprays to tablets to brushes, we have what you need to properly care for your equipment, ensure high-quality cooking results, keep employees safe and extend equipment lifetime.
