

# soup merchandisers add a bowl of high-margin goodness

custom  
graphics  
available!

Ring up add-on sales that are piping hot with these attractive, but very compact, merchandisers. They all feature a unique, no-hot-spot heating-element design, along with classy graphics that, together, provide the most tempting sights and aromas.

Model 6510A-2D4

## Soup Station Merchandiser

Let nothing stand in your way of a sale. This all-in-one unit holds up to three soup varieties, with extra room to spare for spoons, bowls, lids and more.

Model 6510A-2D7

Model 6510A-S7

## Twin-Well Soup Merchandiser

For whatever the size, type and menu of your operation, choose from 4- or 7-quart twin wells with single or double thermostats.

## Single-Well Soup Merchandiser

Short on space? This charming option makes it easy to fit the profit power of soup on any counter.

## Triple-Well Soup Merchandiser

Step up your volume and variety with this larger unit that makes it possible to satisfy any appetite on any given day.

Model 6510-T4

## think beyond soup!

Every unit is NSF/ANSI Standard 4 certified as rethermalization equipment.
