Stackable Wake™ drinkware features a unique organic texture that accentuates creative drink presentations while improving grip and hiding fingerprints and any scratches that may occur.

## Year after Year, Infinium Performs Beautifully

All Infinium products are engineered to maintain their glass-like brilliance even after extensive usage – ideal for demanding outdoor and high-volume environments.

### INDUSTRY-LEADING RESISTANCE

resists virtually all stains, odors and tainting of beverage flavor

### DISHWASHER DURABLE

maintains “like new” appearance even after hundreds of cycles

### TEMPERATURE RESILIENCE

withstands extreme temperatures from boiling to freezing

Prolonged exposure to sunscreens at elevated temperatures can cause a cloudy layer to form on the surface of the plasticware. Citrus drinks not recommended as high acidity may damage the product. Dishwasher safe, not recommended for use in microwave.
