

Tradition, raw materials, workmanship and ideas make the difference between a normal object and something special.

We are manufacturers and importers. This gives us the expertise to buy quality because we know how to make quality. We follow modern trends using our skills and the best quality 18/0, or 18/10 stainless steel available.

**Warranty:**

We deliver quality and value to our customers and guarantee our products to be free of factory defects on a replacement basis.
