

# Versatile tool for hot & cold applications

## WHIP-IT! THERMO PRO DISPENSER

The **Whip-it! Thermo Pro** dispenser is a multi-purpose gadget with thermal capabilities to keep food and drinks hot or cold. Create warm soups and sauces and fresh desserts, creams and whipped cream that stays cold longer. The stainless steel, double wall constructed bottle provides optimal thermal performance, insulation and dispenses evenly. It is simple to use and quickly achieves desired results. Perfect for any professional kitchen setting.
