Cherry

Blue Jean and **Cherry** are a great way add color and excitement to the Brush Pattern. Cherry is designed for Care Units as the red color is shown to enhance appetite. Blue Jean and Cherry are extensive collections on their own – each with 11 pieces including stackable bowls, square bowls and a 9" Hospital Heat System Plate. The design ethic and colors are created to expand our 4 current Brush colors.

- 5 times stronger made of fully tempered glass
- Thermal resistant, withstands high temperature changes
- Shock and impact resistant
- Perfect for hospitals, nursing homes, institutions, and employee dining
- Environmentally-friendly, made of 100% recyclable glass
