## MENU

### "DELIVERY ONLY" KITCHENS

## WALL MOUNT

Designed to replace a stainless steel version purchased by a cheesecake restaurant creating substantial cost savings.

The same unit was designed for a BBQ restaurant but in a full-size rack, holding 20 pans, yet still mounted to the wall.

98138 | Wall Mount Pan Rack

3" spacing  
holds (6) 18" x 26" sheet pans.

**NEW**

Designed to hold dish racks for storage and drying.

Keeps racks easily accessible above sinks, tables and bussing stations.

52924 | Wall Mount Dish Rack Holder
