1290WDW -- Enclosed Pan Racks

- The toughest Enclosed Cabinet in the industry, these cabinets are built to withstand the rigors of on/off truck and transport use.
- Formed door and rear panel create a chimney effect allowing air to circulate freely from top to bottom.
- Solid side panels are composed of interlocking aluminum extrusions with guides spaced on 1 1/2" centers for maximum capacity.
 - Built to Accommodate 18" x 26" Sheet pans
 - Units are secured with heavy duty tie rods of 3/4" x 1" tube.
- Equipped with four 5" platform swivel type heavy duty casters with non-marking wheels.
- Each unit is all welded with all seams fully welded and sealed providing a smooth, easy to clean surface.
 - No cracks or crevices to trap dirt!

Guaranteed Dependable

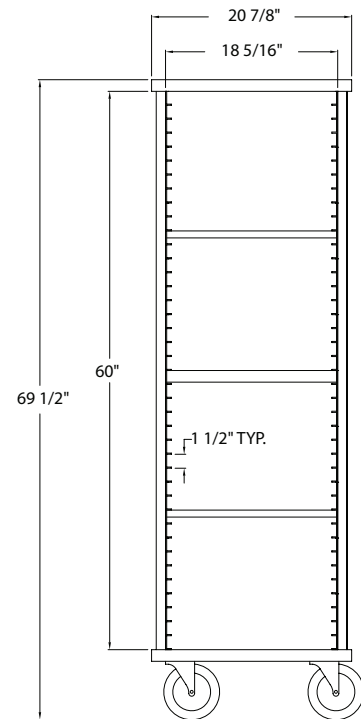

- Lifetime Guarantee against rust and corrosion
- Lifetime Guarantee against material defects and workmanship.
