Adjustable Solid Shelf -- Economy

These lighter duty aluminum shelves get smaller product organized with a weight capacity of 400# per shelf.

Unique marine edge design permits easy cleanup and minimizes the mess of "leaky" products.

MATERIAL:

- Shelf is constructed out of .040" thick aluminum sheet.
- Adjustable corner collars are welded in all four corners. Each shelf is reinforced with two 1 1/2" x 1 1/2" x .070" wall tubes.

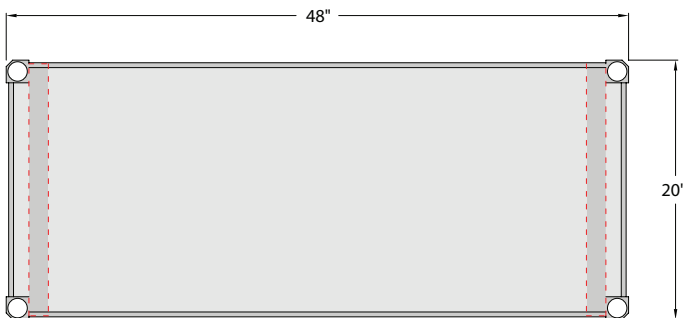

GUARANTEE:

- **Lifetime Guarantee** against rust and corrosion.
- **One-Year Guarantee** against workmanship and material defects.

NSF Certified. 

Design Your Own Custom Unit

- All three series of "Adjust-A-Shelf" Shelving (the same length and width) are interchangeable.
- This allows you to custom make your own complete units with the type of shelving (H.D., T-Bar, Solid Brute) you need.
- Each unit assembles in minutes with only an allen wrench.

Solid Style Shelf

Model No.	Weight Capacity	Size D-L	Ship Lbs.
1530S	400 lbs.	15" x 30"	6.3
