

MetroMax® Q

Easy-adjust polymer shelving that's reinforced with steel.

MetroMax Q Forever Strong.

The most specified corrosion-fighting shelving product.

MetroMax® Q provides the best of both worlds— Hybrid rust resistant, coated wire understructure with polymer shelf mats and posts for a strong cleanable solution. Easy-to-adjust with a flip of your finger, MetroMax Q offers the unique ability to transition quickly when your storage needs change.

PROTECTION THAT LIVES ON
MICROBAN

Quick to Adapt.

1" Shelves adjust at 1" increments.

(25mm)

Quick adjustment.

Shelves adjust quickly in 1" (25mm) increments to accommodate changing storage needs.

Mobility.

The most rigid shelving for transporting the heaviest loads.

Easy-to-clean.

Open grid mats remove easily. Built-in Microban® antimicrobial product protection keeps the product "cleaner between cleanings".*

Maximum Rigidity.

Strength is in our corner.

Hybrid polymer/wire construction provides a rigid platform for the heaviest loads.

Strong in all configurations.

MetroMax® Q holds firm across stationary, mobile, and high density top or floor track shelving.

Holds safe even on the move.

Shelves hold up to 800 lbs. (227kg).
2000 lbs. (907kg) per stationary unit.

Holds up to
1000 lbs.
per mobile unit
