

Staging POS Work Station
Easily Assemble and Stage Orders.

Increase Speed & Efficiency.

Easily Assemble and Stage Orders.

Speed and accuracy are key when it comes to assembling orders for pick-up or carryout. Keep packaging, condiments, and utensils within arms reach to increase efficiency. Having everything needed for order assembly in one location prevents human error, and ensures customer satisfaction.

The easy order part number includes everything pictured and ships in one box!

Staging POS Work Station

Easily Assemble and Stage Orders

Ensure that customers receive the correct order every time by streamlining order assembly with the Metro® Staging POS Work Station. The unit comes equipped with 15 easy-to-clean plastic overhead bins that keep smaller items such as napkins, utensils, and condiments within arms reach. Having a designated area to assemble pick-up and carryout orders prevents errors and increases speed.

Key Specifications:

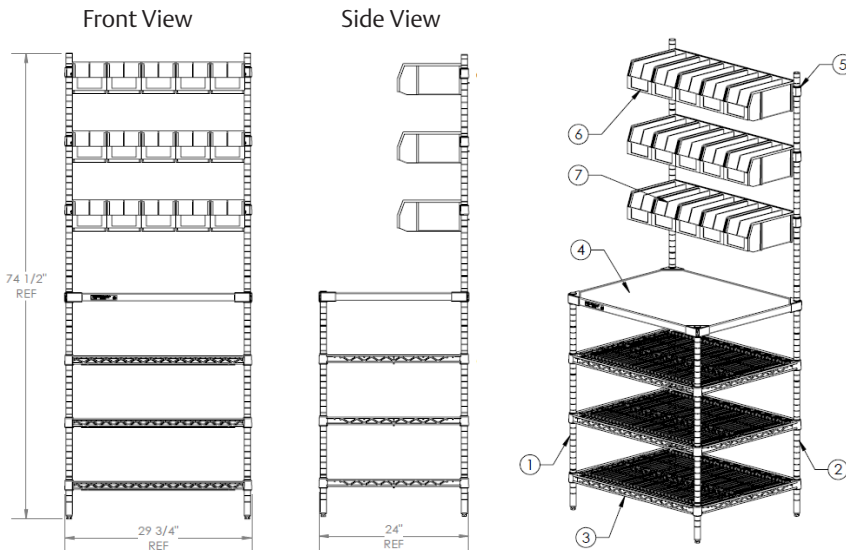

- **Super Erecta® Solid Shelf:**
 - Material: Type 304 Stainless Steel with corrosion resistant epoxy-coated corners.
 - Shelf design features a 1/8" (3.2 mm) raised "ship's edge" on all four sides to contain spills.
- **Super Erecta Brite Wire Shelves:**
 - Can be adjusted at 1" (25 mm) intervals.
 - Each shelf can support up to 800 lbs. (363 kg).
- **Overhead Bins:** Hold condiments and utensils within arms reach.

Ships in One Box!
