

SUPERIOR HOT FOOD STORAGE SUPPORTING YOUR BUDGET NOW AND LATER

G-Series hot food cabinets help you maintain your bottom line while offering superior warm temperature maintenance, proven durability and energy efficiency in an economical cabinet. Traulsen uses a durable 14-foot tubular heating element, coupled with low velocity fans and a digital microprocessor control to provide consistent, energy-efficient warmth.

1

REDUCE COSTS

- Durable, long-lasting all-metal construction, heating element and digital microprocessor control
- Raised door pans protect gaskets
- Factory-installed standard shelving
- EZ-Clean Gaskets made with sanitizer-friendly Santoprene®
- All models offer energy efficiency and are ENERGY STAR® listed

2

SUPPORT FOOD SAFETY

- Superior, consistent temperature maintenance and recovery throughout the cabinet: top-to-bottom and front-to-back

3

ENABLE YOUR EMPLOYEES

- Self-closing/stay open doors

4

ENJOY PIECE OF MIND
