

CREATION STATION®

MOBILE COOKING/ACTION STATION

Create a memorable dining experience that will keep your customers coming back.

- Interactive cooking creates a fun atmosphere for executive lunches, breakfast omelette stations and more
- Solid top surface is heat resistant and easy to clean
- Choose the type of cook type to best suit your needs
 - **Induction** – State of the art cooking method that is the most energy efficient. Top surface cooks without flame, while remaining cool to the touch for the safest demonstration method.
 - **Propane** – Traditional economical cooking method with the flair of a cooking flame
- Eutectic refrigerated 10" x 12" x 6" bin is built into the center of the top for easy access and storage of perishable ingredients
- Universal ledges in interior compartment holds sheet pans, full size steam table pans or plastic food boxes to keep ingredients at your fingertips
- Ledges and pull-out shelves are height adjustable and ledges are removable to create a storage area that fits your requirements
- Stainless steel interior is easy to clean and sanitize
- Choice of standard or custom laminate exterior finishes enhances your decor.
- 5" (27) all swivel, 2 with brakes, No-Mark polyurethane casters for easy maneuverability. Casters are recessed for a more attractive appearance

FACTORY INSTALLED OPTIONS:

- 220 VAC for Induction stoves (2600 W)
- Sneeze guard
- Demonstration mirror
- Sneeze guard/demonstration mirror combination
