

MetroMax 4 Forever Value.

Protective surfaces with unrivaled value.

MetroMax 4 is an economical upgrade to wire shelving where corrosion protection, cleanability, and supply protection are valued... benefits that will save you money in the long run. MetroMax 4 is built entirely of advanced polymers and is designed to safely hold up to 2000lbs. (907kg) per stationary unit. Now that's a great value.

Protective Surfaces.

Smooth protective surfaces.

Prevent damage to valuable supplies and eliminate waste from reprocessing sterile packs.

Easy-to-clean.

Open grid and solid mat sections remove easily. Built-in Microban® antimicrobial product protection keeps the product "cleaner between cleanings".*

PROTECTION THAT LIVES ON
MICROBAN

Unrivalled Value.

Corrosion Proof.

Provides longer life in sterile environments than traditional chrome wire shelving.

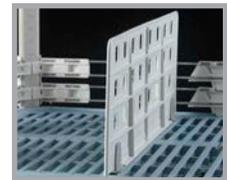

Interchangeable.

MetroMax 4 is compatible with heavier duty versions, MetroMax® i and MetroMax® Q to address a variety of applications and budgets.

Efficiency.

System safely holds, organizes, and transports supplies with shelves that adjust on 1" (25mm) increments.
