

# COMBI OVENS

**PUT A KITCHEN IN YOUR COMBI**

---

# COMBI OVENS

Fast, flexible cooking for practically anything on your menu

# COMBI OVENS

Precision cooking with combinations of moist heat and dry heat for

-  Steaming
-  Convection
-  Combination
-  Rethermalizing

# COMBI OVENS

Menu variety, high volume production and space saving convenience in one unit

Versatile enough to replace multiple cooking appliances

# COMBI OVENS

**FLEXFUSION™**

**SPACE\$AVER**

**SPACE\$AVER TEAM**

**PLATINUM**

**PLATINUM TEAM**

# COMBI OVENS

-  Fast, even cooking in volume
-  Simple to learn and operate
-  Built for reliability & low operating costs
-  Automatic cleaning

**FLEXFUSION™**

## KEY FEATURES

### Chef'sTouch Control

Intuitive control system that lets you easily find and use hundreds of recipes, helpful cooking features, and operating guides

Choose from automatic or manual operation

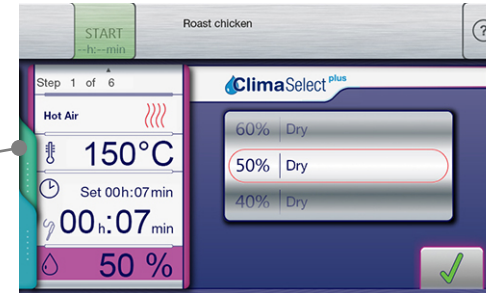

# FLEXFUSION™

**KEY FEATURES** 

**Chef'sTouch Control**

Set humidity level in 10% increments

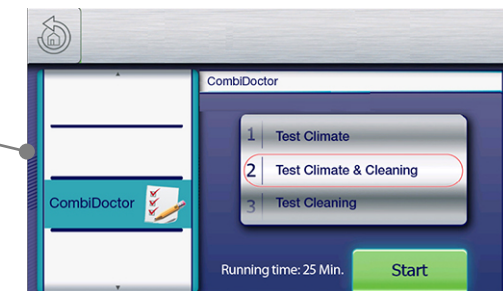

See which items can be cooked together

Display energy and water usage

Run system diagnostics and results

Training with graphics and video

**FLEXFUSION™**

## KEY FEATURES

### DynaSteam2 Boilerless steam generation

- No separate boiler = smaller footprint, lower operating and maintenance costs
- Variable water injection automatically adjusts to cooking conditions and load
- Energy-saving heat transfer system
- Low temperature steaming < 212°F (100 °C)

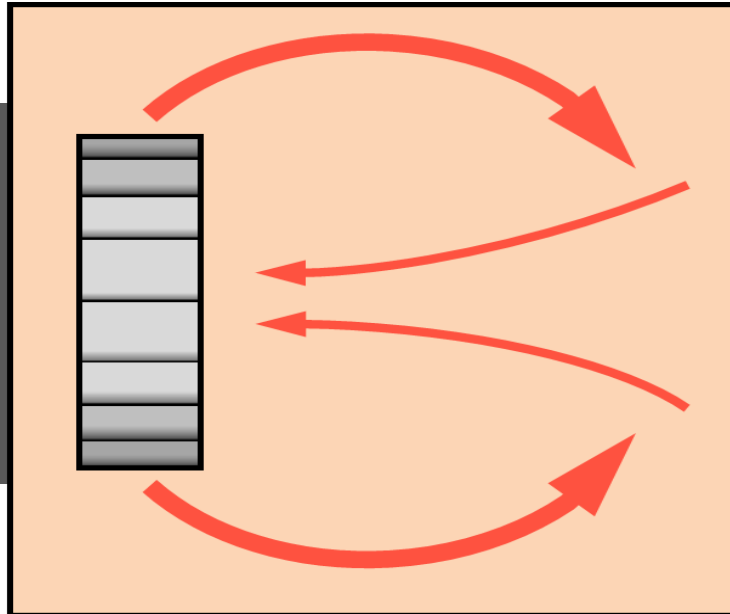

**FLEXFUSION™**

**KEY FEATURES** 

## 5 speed auto reverse fanwheel

Fanwheel direction reverses every 3 minutes, constantly varying direction of airflow

Blows heat and water vapor **OUTWARD**, pulls it back in from **MIDDLE**

**FLEXFUSION™**

**KEY FEATURES** 

**FlexiRack™ Series 1 units**

Specially designed pans, grids and rack offer up to 100% more capacity from the same footprint

**FLEXFUSION™**

## KEY FEATURES

### WaveClean™ automated cleaning

- Sealed 2-in-1 cartridge combines detergent and rinse agent
- Sanitizes to HACCP standards
- Uses 36% less water than previous systems
- Set cleaning program with WaveClean app and walk away

**FLEXFUSION™**

## User friendly features

- Steam Exhaust System evacuates steam before door opens
- Retractable spray hose for quick easy rinsing
- Durable 7-inch high resolution touch/swipe display
- Crosswise pan racking = no awkward handling or repositioning

**FLEXFUSION™**

## SUSTAINABILITY FEATURES

- Triple pane door glass
- LED lighting
- High efficiency fanwheel motor
- Hot water heat transfer system
- DynaSteam2, WaveClean water saving features
- Non-contact cleaning agents = no PPE, non-hazmat shipping ground or ocean

**FLEXFUSION™**  
**Electric**
