

Pouched Food Dispensers

Express™ Dispensers | 1 ½ Gallon

- Perfect for high-traffic, self-serve applications – serves from popular 1 ½ gallon condiment and dressing pouches with a 16-mm fitment
- Sealed, sanitary system achieves up to 98% evacuation; dispenses 1-oz max portion, reduce in ¼-oz increments
- Clean-up is easy; condiments are contained within the pouch and surgical-quality plastic, six-piece pump
- Brushed finish stainless steel and black thermoset plastic vessels reduce the visibility of fingerprints
- Express™ Stations combine multiple dispensers in a single base; see p 37 for details

1 ½-gallon pouch with 16-mm fitment

NSF listed pump (07794) uses only (6) parts

NSF **ADA** compliant | Less than 5 lbs of pressure to dispense
