

LK® Kwik-Fill® Bags

- A blend of TUF-R® linear low density resin gives Kwik-Fill added strength
- Standard, Medium, Heavy and Extra Heavy gauges available
- Meet FDA requirements for food contact
- Can also be used in manual applications
- Precise perforations for dependable performance
- Some sizes available with white back
- Each roll individually wrapped
- Product manufactured from extruded tubing (no side seal)
- Rolls configured with white plastic side plates
- Each roll paper-banded to reduce waste when starting a roll
- Coding system for quality assurance and tracking on each roll
