ICEPRO SERIES WATER TREATMENT

FOR ICETRO AMERICA ICE MAKERS

The new IcePro series incorporate advanced water treatment technology and is manufactured with completely environmentally friendly components. The IcePro series will provide superior filtration to remove particulates and eliminate the effects of hard water scale in all ICETRO ice makers.

ICETRO America utilize the IcePro water treatment systems in providing with pre-filtration to all of our systems as well as controlling scales with a patent blend called Citryne*. The IcePro series is a complete system without the need to add additional pre-filtration or scale control.
