- Heat Plates provide very fast baking times, up to 50% faster than traditional baking pans. It takes as little as 4-5 minutes to bake a fresh Pizza on the Heat Plate!
- Manufactured from alloys which provide superior heat storage and produce fast, even cooking of both top and bottom of the food product simultaneously.
 - Hard coat anodized non-stick baking surface
- Plates help ovens maintain better temperature stability under normal door opening/closing conditions.
 - Warranty: 30 days/ initial defects only
 - Freight Class 200
