Exciting News! Introducing Our Enhanced Warranty Plan

To our Valued Customer Partners,

At Lincoln, we are committed to providing our valued customers with the best products and services. To enhance your experience with us, we are thrilled to introduce our new and improved warranty plan.

Effective January 1, 2024, we will introduce our new Customer First™ 3-year warranty on our 1400, 1600, and 3240 large ovens. Lincoln has been building conveyor ovens for more than 40 years as the pioneer of impingement technology for the Food Service industry. We have established a legacy of producing ovens that are *built to last!*

We are pleased to provide this additional two years of assurance at no extra cost to you with every new oven purchased.

Please look at the attached sell sheet for more details or contact your Lincoln Sales Rep or our Lincoln Technical Service team at www.lincolnSVC@lincolnfp.com [1-844-724-2273] if you have any questions about the new Customer First warranty program.

Thank you for your continued support and loyalty to our Lincoln brand.

Best Regards,

A handwritten signature in black ink that reads "Thomas P. Kurgan".
