Antimicrobial push-button dispensing option, provides quick and efficient operation

Capacity: 160 @ 90°/70°
196 @ 70°/50°

Storage: 7 lb.

Dimensions: 16" x 23.4" x 17.5"

Optional 4" leg kit available

Includes 6' power cord with NEMA 5-15P plug

Operational Excellence

- **Dispenses Original, Chewable Nugget Ice**
 - Smallest, softest, most chewable nugget ice
 - Up to 20% softer than competition for optimal mouthfeel
- **Environmental Responsibility**
 - Quiet operation for increased comfort in workplace or hospitality environments
 - Due to improved condenser fan and elimination of noisy harvest cycles
 - Uses R-290 refrigerant with zero ozone depletion potential, low GWP

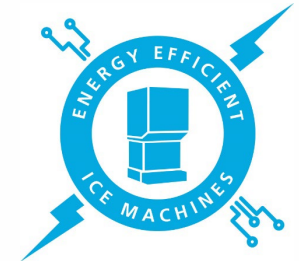

COMPARED TO CUBE ICE

80%
of customers prefer
nugget ice with
soft drinks

Nugget ice uses
up to
40%
less water

Nugget ice uses
up to
15%
less energy

More profitability with
up to
20%
higher displacement,
using less syrup/beverage

HID207 - *What's New*

Health & Wellness

- **UV-LED Sanitation**
 - Internal UV module actively treats intake to ensure clean, refreshing ice and water
- **Sanitary Design**
 - AgION® antimicrobial technology is molded into key components to help inhibit the growth of microbes, bacteria, mold, and algae
 - Sealed refrigeration system minimizes outside airborne contamination
- **Easily Removeable Components**
 - Fully removable air filter, chutes, sink, grill, and bin allow for easy cleaning and maintenance
- **Purpose-Built Spout Design**
 - Angled front housing provides visibility and easy access for cleaning of spouts and splash panel

Scotsman®

Ease of Use

- **AutoAlert™ Indicator Panel**
 - Intuitively displays relevant machine status that is visible across the room
- **SmoothStream™ Water Dispensing Technology**
 - Combined with illuminated dispensing to reduce splashing while keeping the machine and surrounding areas clean
- **Compact Design**
 - Features unique contoured sides for enhanced breathability and tight installs
 - Recessed utility chase for tight installs
- **ADA Compliant Dispensing Area**
 - Touch-free and push-button models meet ADA reach range requirements
- **Flexible Configuration**
 - Ice only configuration available with included snap-on panels

Scotsman
