- Closed cell Nitrile/PVC foam, does not absorb liquids
- Durable and abrasion resistant
- Solid for dry areas
- Perforated drainage holes to remove liquid and debris for worker platform
- 45° beveled edges on all 4 sides

Description

Superfoam™ is an extremely lightweight durable anti-fatigue foam mat designed especially for ease of handling and ergonomic comfort. Made from a closed cell PVC/Nitrile foam blend Superfoam™ does not absorb liquids and is highly resistant to greases, oils, animal & vegetable fats. This allows it to be used in areas where occasional overspray and dripping occur such as dishwashing stations and bar areas. Because Superfoam™ is lightweight, it is the perfect mat for use in areas where mats are regularly moved for cleaning like cooking lines, service counters, and food prep stations.

Specifications

Model No	T17S0033BL
Color	Black
Dimensions	3ft x 3ft
Thickness	5/8in
UPC	662641045651
Special Price Type	Sale
Available Colors	Black
Roll Sizes	3'x75', 4'x75'
Custom Lengths	3' and 4' widths (up to 75' long)
