

DINEX®

TURNBURY INSULATED WARES COLLECTION

Insulated. Beautiful.

Choose Turnbury® insulated dome, mug, and bowls, for their distinctive swirl design - a distinguished best-seller in the industry.

Features & Benefits

- **Perfect Cover:** Features molded-in handle and high food clearance
- **Temperature Hold:** Air Insulated construction ensures sustainability and promotes environmental responsibility
- **Coordinating Tumblers & Bowls:** Swirl tulip dishes & tumblers complete the Turnbury® look
- **Disposable Lids:** Tight fitting lids for easy transport

Molded-in handle ensures an easier, more secure grip

For hot or cold foods and beverages

Air Insulated construction makes them eco-friendly without sacrificing performance

Mug has heavy-duty handle to allow secure, three finger holding with thumb rest

Distinctive swirl design with an elegant look of china

INNOVATION AND SUSTAINABILITY

Air Insulated Turnbury® Dome by Dinex®

Introducing the latest innovation in meal delivery: Air Insulated Turnbury® wares by Dinex. Now recyclable, they keep their legacy temperature retention and elegant design while providing an environmentally conscious option. Crafted for performance, style, and sustainability, Air Insulated Turnbury wares by Dinex establish new standards in meal delivery.

Features & Benefits

- Air Insulated construction ensures sustainability and promotes environmental responsibility
- Industry-leading heat retention surpasses competitors in side-by-side comparisons
- Distinctive swirl design coordinated with Tulip dishes and tumblers
- Molded-in handle ensures an easier, more secure grip
- Optimal stacking efficiency means bases stack even closer and with greater stability
- Sloped dome facilitates optimal water drainage during washing
- Airtight construction eliminates potential breeding grounds for bacteria and mold
- Dishwasher safe
- Recyclable
- Not recommended for the microwave
