

## Furniture Order Agreement

Before placing a furniture order with KaTom, please read the following terms and sign the form stating your understanding of them:

***We do not accept returns or exchanges for ANY furniture order for ANY reason.***

Restaurant furniture manufacturers customize each piece to your specifications – colors, materials, size, etc. If you are trying to match existing colors or finish material, we strongly suggest that you request a sample before placing your order. Computer screen displays vary and can distort the actual color of items.

Once an order is placed with the manufacturer, you are liable for the expense of the furniture, any accessories, shipping, and other costs as indicated on your quote. In order to keep our prices the lowest in the market for all customers, we pass along the manufacturer terms and conditions, including any shipping costs, to customers for special order items.

Please print this page, fill it out, sign, date and fax it to 800-821-9130 or email it to [cs@katom.com](mailto:cs@katom.com).
